- March 10, 3-5pm
  - Mixed stakeholders
  - Industry groups, consumer groups, academia
  - No private companies
  - Director will not attend to display the Taskforce's independent
  - Questions that will be posed will be 'inspired by' the Taskforce RFI
  - Topics
    - Innovation:
      - Protect consumers while encouraging innovations that could be good for consumers
    - Inclusion:
      - What regulatory issues could be addressed to promote greater access to underserved and/or excluded individuals
    - Competition:
      - How do we promote competition and consumer choice while furthering consumer protection
    - Regulatory Frameworks:
      - In terms of regulatory modernization where are there gaps, and where are there redundancies?
- Invitees
  - OFIBL: 5-6 trades
  - OPE: 5-6 consumer groups
    - Chi Chi Wu has been requested
  - OPE: 5-6 academics
- Staffing
  -
- Risk
  - RFI being released close to when roundtable
  - Response to Call for Evidence concerns regarding what happened to those responses
  - We are not covering travel
  - How will we better describe the topics and questions
    - If there is significant pushback, then possibly we will provide additional detail
  - Does this meeting have to be on March 10?
    - Consider March 9
- Actions
  - Suggestions of invites by February 21, 2020
  - Release invites by February 25, 2020
