CRITICAL PHILOSOPHY *of* RACE

ROBERT L. BERNASCONI, EDITOR

Critical Philosophy of Race aims to provide a pluralistic forum for scholarly work from a broad range of perspectives. This commitment to pluralism and breadth means that the journal encourages the use of a wide variety of methods and tools to study race, racism, and racialization. Accordingly, submissions from any philosophical orientation, without bias against or preference for any particular metaphilosophical orientation are welcome. The journal is sponsored by the Rock Ethics Institute at The Pennsylvania State University.
