

Contact us

Contacts and accreditation > Press services and audiovisual support and contacts

Contacts of the press services of the European Parliament, the President and the Political Groups. We also provide the contact details for audiovisual facilities.

Parliament's press service

The European Parliament's Press Service provides journalists with factual and neutral information on Parliament's activities, as well as providing practical and technical assistance. Our press officers are available to inform media professionals about legislative dossiers on Parliament's agenda and about the audiovisual support and contacts available to them.

[Spokesperson's service](#)

[Press officers in the Member States](#)

[Media Outreach](#)

President's press service

The Communication Team of the President of the European Parliament deals with all press and media matters directly concerning the President.

[Communication team](#)

Political groups' press service

Each of the European Parliament's political groups has a press service that provides information on their activities and deals with media enquiries.

[All political groups](#)

Audiovisual support and service

The European Parliament provides support to media professionals covering parliamentary activities, content and technical facilities for video, radio, multimedia and photo production. Our offer, available on the [Multimedia Centre](#), consists of a mix of live events, news summaries of EP activities, illustrative stockshots and coverage of key events.

Audiovisual support and contacts

We offer support and a state-of-the-art infrastructure to MEPs and media professionals covering parliamentary activities, providing both content and technical facilities for video, radio, multimedia and photo production. If you are an audiovisual journalist you can book studios and other technical facilities or request the help of our media library service to find video footage.
