The Candidate's management is responsible for the Pre-Primary and Post-Primary Campaign Finance Reports. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Finding

We contacted the Candidate to discuss the agreed-upon procedures, the timing of our procedures, and the documentation needed.

2. Fieldwork Procedures

- a) Commission staff will contact the candidate to request the records for an agreed-upon procedures attest engagement. Candidates chosen for a Primary Election Audit shall provide records from the Pre-Primary Election Report and the Post-Primary Election Report. Candidates chosen for a General Election Audit shall provide records from the Pre-General Election Report and the Post-General Election Report.

Finding

Commission staff sent an initial notice of primary random audit selection to the Candidate and informed the Candidate that we would be contacting her. We then communicated to the Candidate in a written request, the purpose of the engagement, agreed-upon procedures to be performed, documentation needed and potential future requirements of the Candidate.

- b) Commission staff will provide the records to the Contractor upon receipt. The Contractor shall contact the candidate and/or his or her representative(s) to discuss the purpose of the engagement, the general procedures to be performed and potential future requirements of the candidate, such as possible repayments to the Fund.

Finding

See comment in a) above.

- c) The Contractor shall contact or conduct an interview with the candidate and/or his or her representative(s) to discuss the bookkeeping policies and procedures utilized by the campaign committee.

- (i) Review the names of the candidate's family members. Family members include parents, grandparents, spouse, children, siblings and a parent or spouse of any of those persons.

- (ii) Review bank statements for each of the months in the reporting period and perform the following:
 - Select a sample of deposits and withdrawals from the bank statements and determine that the transaction is properly reflected in the candidate's records and campaign finance report.

Finding

We selected five deposits and five withdrawals from the bank statements for the periods reviewed and determined that they appeared to be properly recorded in the Candidate's Campaign finance reports, with the following exceptions. One deposit tested comprised of personal monies mistakenly deposited into the Campaign bank account from the Candidate's business merchant account. Furthermore, merchant fees of \$124.74 were automatically deducted from the Campaign's bank account based on this deposit and therefore, the Candidate's business reimbursed the Campaign for the \$124.74 and the Campaign subsequently remitted this amount to the Commission as part of the unspent funds at the end of the election period.

Further, one withdrawal tested was a personal purchase of \$45.59, mistakenly charged with the Campaign debit card. This amount was immediately reimbursed by the Candidate once the error was discovered.

- Perform a proof of receipts and disbursements for the reporting period.

Finding

Proof of receipts and disbursements was performed for the reporting period and no exceptions were noted, however during this testwork it was noted that the Campaign had a Primary Recap Report balance of \$229.01. Per discussion with the Candidate, it was determined that this amount had yet to be remitted to the Commission. Per the Citizens Clean Elections Act & Rules Manual rule R2-20-109(E)(1)(b)(ii), if the campaign finance report shows any amount unspent monies, the participating candidate, within five days after filing the campaign finance report, shall remit all unspent contributions to the Fund, pursuant to A.R.S. 16-945(B), which refers to limits on early contributions.

It was further noted that the Campaign also remitted \$124.74 in unspent funds from the error noted in 2) c) (ii) above, and remitted \$83.01 in unspent funds from reimbursements for personal purchases made by the Candidate.

- d) Judgmentally select a sample of early contributions reported in the candidate's campaign finance report and agree to supporting documentation, which reflects the name of the contributor (for all contributions) and for individuals who contributed greater than \$50, which reflects the contributor's address, occupation and employer.

Finding

We reviewed the supporting documentation for five early contributions reported in the Candidate's campaign finance report, and determined the name of the contributors for the contributions was included on the support. For individuals who contributed greater than \$50, we determined that the contributor's address, occupation and employer were also included on the support.

- (i) For other types of cash receipts reported in the candidate's campaign finance report, review supporting documentation and review for compliance with regulatory rules and laws and agree the receipt to inclusion in the campaign account bank statement.

The Campaign finance report included a \$45.59 expenditure to Quick Trip, however we determined this expenditure was a personal purchase made by the Candidate. This amount had already been reimbursed to the Campaign bank account immediately upon discovery of the error, and furthermore the Candidate subsequently amended the Campaign finance report.

- (iii) Determine whether the expenditure was made for a direct campaign purpose. Direct campaign purpose includes, but is not limited to, materials, communications, transportation, supplies and expenses used toward the election of the candidate.
