Applying Agreed-Upon Procedures

To the Chairman and Members of the
Citizens Clean Elections Commission
Phoenix, Arizona

We (the Contractor) have performed the procedures enumerated below, which were specified and agreed to by the State of Arizona Citizens Clean Elections Commission (the Commission), solely to assist the Commission in evaluating whether Sharon Girard (the Candidate) Campaign finance reports for both the General Recap (October 21, 2018 to November 6, 2018) and the 2018 4th Quarter (October 21, 2018 to December 31, 2018) reporting periods were prepared in compliance with Title 16, Articles 1 and 2 of the Arizona Revised Statutes, Campaign Contributions and Expenses, and the Citizens Clean Elections Act, and whether the reports complied with the rules of the Citizens Clean Elections Commission. The Candidate's management is responsible for the General Recap and 4th Quarter Reports. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The summary of procedures and associated findings are presented on the subsequent pages.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the General Recap and 4th Quarter Campaign finance reports of Sharon Girard. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the parties listed in the first paragraph, and is not intended to be and should not be used by anyone other than those specified parties.

2. Fieldwork Procedures

We then communicated to the Candidate in a written request, the purpose of the request, agreed-upon procedures to be performed, documentation needed, and potential future requirements of the Candidate.

- b) Commission staff will provide the records to the Contractor upon receipt. The contractor shall contact the candidate and/or his or her representative(s) to discuss the purpose of the engagement, the general procedures to be performed and potential future requirements of the candidate, such as possible repayments to the Fund.

See comment in a) above.

- c) The Contractor shall contact or conduct an interview with the candidate and/or his or her representative(s) to discuss the bookkeeping policies and procedures utilized by the campaign committee.

- (ii) Review bank statements for each of the months in the reporting period and perform the following:
- Select a sample of deposits and withdrawals from the bank statements and determine that the transaction is properly reflected in the candidate's records and campaign finance report.

Finding

We selected five withdrawals from the bank statements for the periods under review and determined that they appeared to be properly recorded in the Candidate's Campaign finance reports with the following exception: one withdrawal dated 12/5/18 for \$792.15 was not listed on the Candidate's Campaign finance reports. There were no deposits on the bank statements during the periods under review.

- Perform a proof of receipts and disbursements for the reporting period.

Finding

Proof of receipts and disbursements was performed for the reporting period and we noted the following exception: a refund paid to the Commission in the amount of \$792.15 was not reported in the Candidate's Campaign finance reports, and the Campaign finance reports listed a \$0.00 ending balance, resulting in an unreconciled variance of \$792.15.

- d) Judgmentally select a sample of early contributions reported in the candidate's campaign finance report and agree to supporting documentation, which reflects the name of the contributor (for all contributions) and for individuals who contributed greater than \$50, which reflects the contributor's address, occupation and employer.

Finding

- e) Judgmentally select a sample of cash expenditures reported in the candidate's campaign finance report and select 100% of Arizona Democratic Party, Maricopa Democratic Party, Pinal County Democratic, Yavapai County Democratic Party expenses for selected candidates, and perform the following:

- (i) Review supporting invoice or other documentation and agree amount to the amount reported in the candidate's finance report.

- Agree the amount of the expenditure to the campaign account bank statement.

Finding

We reviewed five expenditures and agreed amounts to the Campaign account bank statements without exception.

- (iii) Determine whether the expenditure was made for a direct campaign purpose. Direct campaign purpose includes, but is not limited to, materials, communications, transportation, supplies and expenses used toward the election of the candidate.

Finding

We reviewed five expenditures and determined that all appeared to have been made for direct campaign purposes.

- If the expenditure is a joint expenditure made in conjunction with other candidates, determine that the amount paid represents the candidate's proportionate share of the total cost.

Finding

None of the expenditures we tested appeared to be for joint expenditures.

- f) Determine whether any petty cash funds have been established and, if so, determine how expenditures from these funds have been reflected in the accounting records. Determine whether aggregate petty cash funds exceed the limit of \$1,460.

Finding

Finding

We discussed our findings with the Candidate and the Candidate provided a response as attached below. We did not apply any procedures to the Candidate's response and, accordingly, we are not reporting on them.

Re: Response to Clean Elections Audit Report

I agree with everything said in the report but would like to clarify one item. In Section 2 Fieldwork Procedures, item c) subitem (ii) mentions that "one withdrawal dated 12/5/18 for \$792.15 was not listed on the Candidate's Campaign finance reports." This is correct but misleading. The amount in question was the surplus in the bank account, after the Secretary of State's online system reported a zero balance. The system does not permit the entry of any additional disbursements once the balance is zero. Finance reports contain only transactions recorded in the system. This withdrawal is listed in no report because the system does not permit it to be.

Secondly, the Audit Report does not mention how the \$792.15 was disposed of. It was sent via cashier's check to the Clean Elections Fund per Mike Becker's instructions. A copy of the canceled check was included in the documentation provided to the auditor. An image of the purchaser's record is below.

In all other respects the Audit Report appears to me to be complete and accurate.
